

**RENAULT
TRUCKS
DELIVER**

Renault Trucks is one of the leading full range competitors and worldwide continuously growing. We wish to enlarge our market presence within our Hub AdriAlps (Switzerland, Austria, Slovenia, Croatia, Bosnia Herzegovina) and are hiring young professionals for the following departments

**Sales
Technics
Finance
Sales Engineering**

Did you successfully terminate a corresponding education recently and with top grading, and would you like to use your skills in an ambitious environment?

You score with your energy, team spirit and reliability. You demonstrate your outstanding autonomy, flexibility and your IT knowledge on a daily basis and you handle your tasks and in a prompt and efficient way.

We offer you the chance to grow with your tasks in our company. Training possibilities, an international environment and occasional travelling complete the panoply of our attractive hiring offer for young and highly qualified talents.

A friendly team with a high quality product in an expanding company awaits you. A competitive performance-based salary and excellent company benefits go without saying.

If you are interested then please send your motivational letter and CV to our HR department without further delay: by email: sonja.boehm@renault-trucks.com or by postal mail:
